We invite you to review the items below to facilitate creative thinking on the specific topic presented.

6 Providing principals and other school leaders with resources necessary to address the needs of their *individual* schools.

- How can this funding support your ***comprehensive needs assessment*** as immediate needs shift throughout COVID-19?
- Focus on your schools' ***specific needs*** and leaderships specific needs. Consider how COVID-19 has changed your focus. How can this funding assist in providing support to leadership?
- You may have more than one school with more than one set of needs. Could you use a variety of programming to support specifically what one of your schools needs versus another?
- Reach out to your individual school leaders or hold a virtual meeting to discuss individual school needs and how they have changed. How are school needs different than what they were 3 months ago? Project how needs might change in the upcoming 3 months.
